

2 MINUTE PEARLS

OB Summary (Available in 3.3)

- Provides users with a variety of relevant information related to current pregnancies, including:
 - A Flow Sheet
 - Standard Labs
 - OB Specific Problems List
 - Additional Results
 - Previous Pregnancies
- Information displaying in the OB Summary module is Read Only except for the OB Problem List.
- The data is pulled from the patient record and OB specific documentation.
- Use the “OB—Intake Form—AMEDD” AIM form, as it has been linked to areas on the OB Summary along with areas from the Screening and Vitals Signs Entry Modules.
