

## INFORMATION PAPER

DASG-IMD  
17 November 2004

SUBJECT: Composite Health Care System II (CHCS II) AKO Site

1. Purpose. To provide CHCS II users information about and location of the AMEDD CHCS II AKO site.

2. Facts.

a. The AMEDD CHCS II Implementation and Clinical Integration Office developed and maintains a homepage and group in AKO. The page may be reached by logging into AKO and following this link:

<https://www.us.army.mil/suite/page/406> .

b. The site itself contains links to many related sites, as well as downloadable documents used during planning for implementation, and training. The site also contains useful "how-to's". In addition, all sites have their own folder for exchanging information that they can elect to use as well. A bulletin board forum is also in place for suggestions and comments from the field for public discussions. This page is meant to complement CITPO sources of information, but with a distinct AMEDD focus that Army users need above and beyond the traditional Tri-Service view.

c. The AMEDD Point of Contact for the content of this program is Major David Blair, who may be reached at 580.458.2220 or at e-mail [David.Blair2@amedd.army.mil](mailto:David.Blair2@amedd.army.mil). Administrative questions on this program may be directed to Mr. David Freeman at 706.787.7165 or at e-mail [David.Freeman@se.amedd.army.mil](mailto:David.Freeman@se.amedd.army.mil)
