Slides Outline

Search Results window for 'nsapps.ini'. The window shows a search bar with the text 'Search Results' and a search icon. Below the search bar, there are options to 'Organize' and 'Save search'. The main area displays 'No items match your search.' and a 'Search again in:' section with buttons for 'Libraries', 'Computer', 'Custom...', and 'Internet'. A tooltip for the 'Computer' button reads: 'Search all indexed, non-indexed, hidden, and system files on your Computer'. A red arrow points to the 'Computer' button with the text 'Click on computer'.
