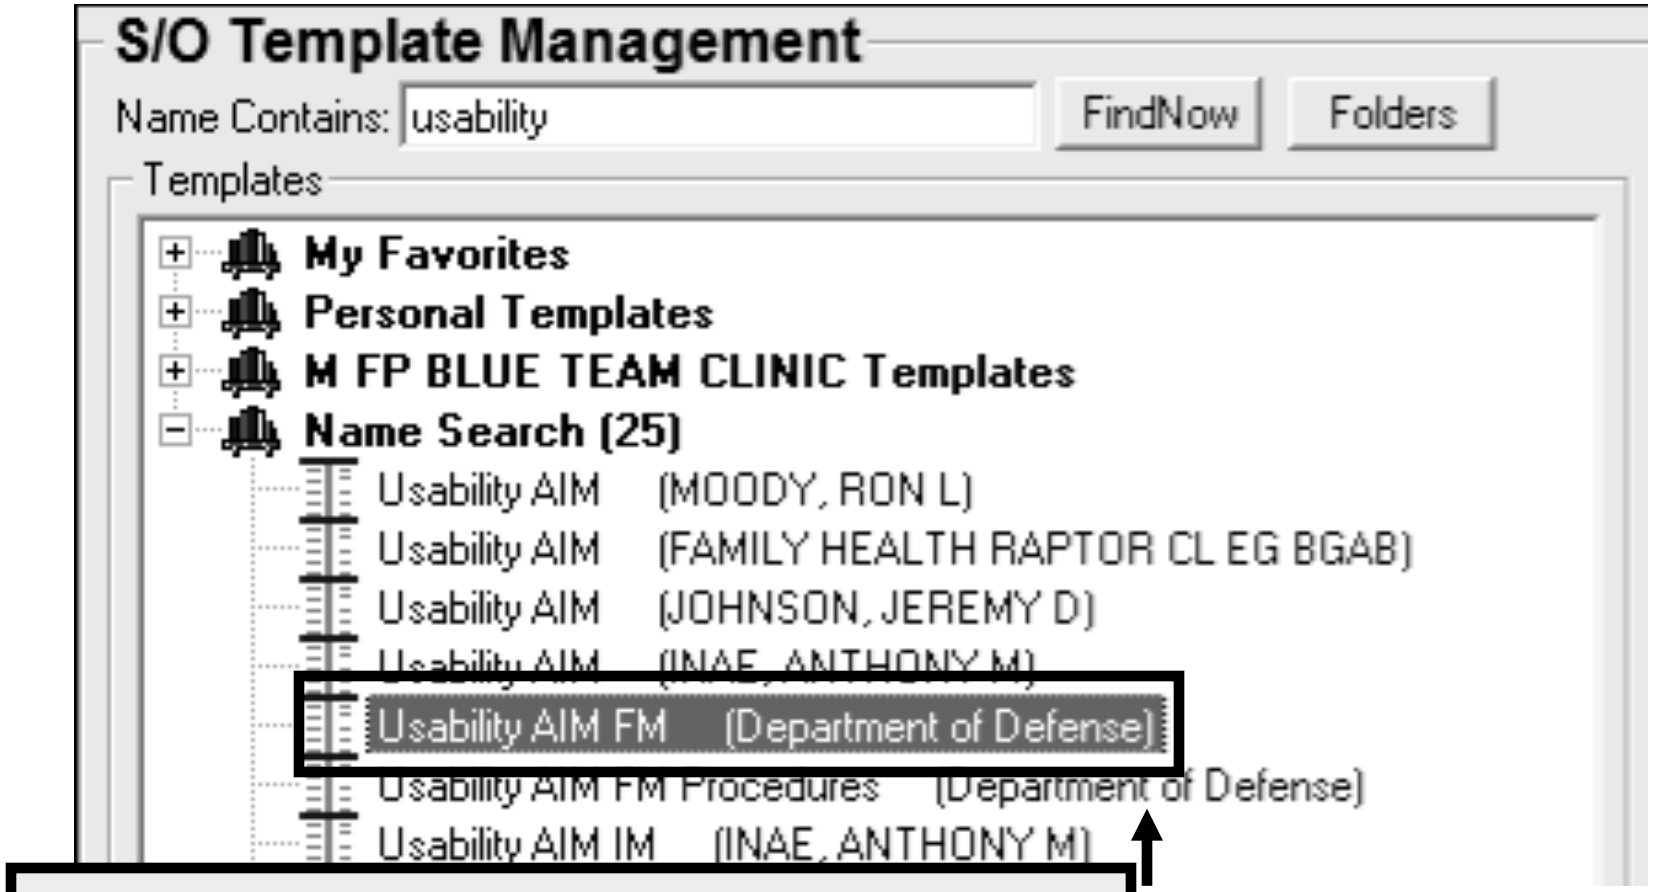
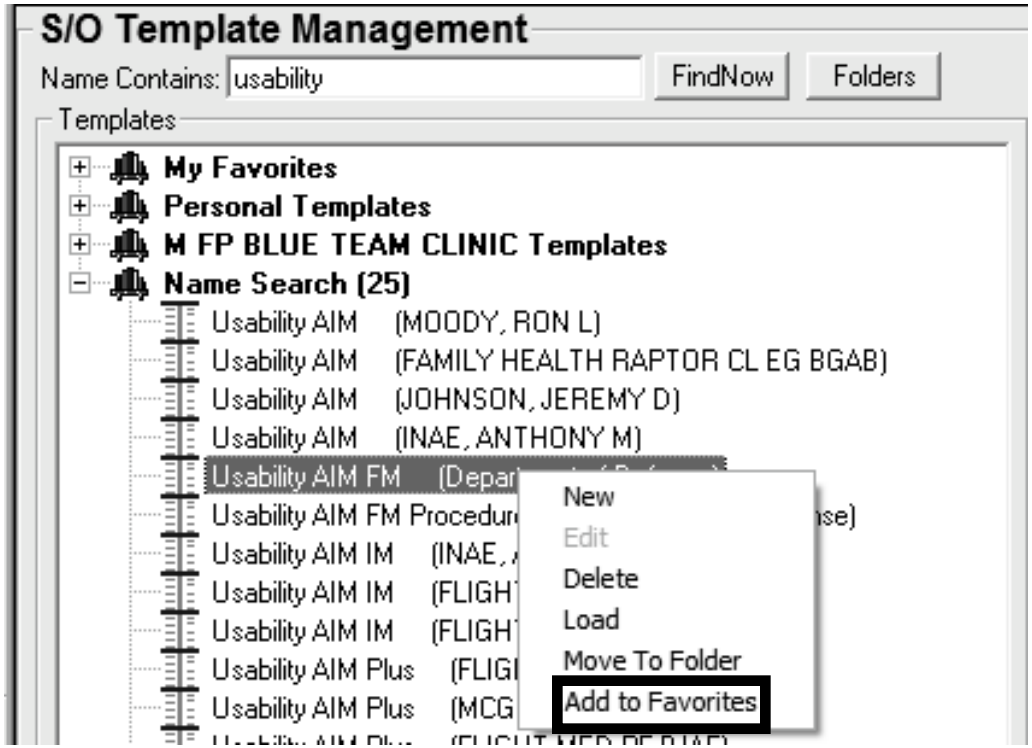
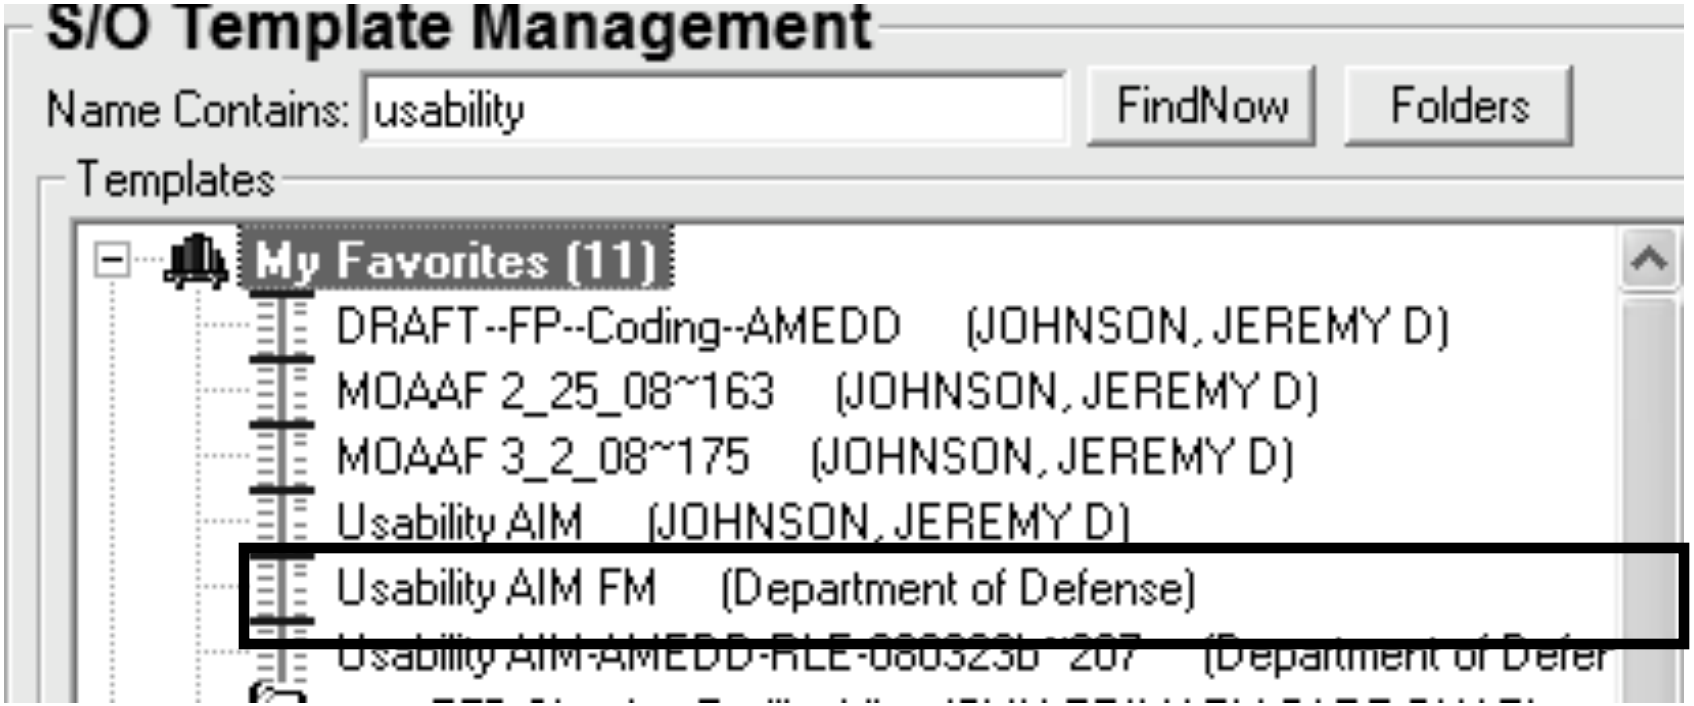
In the search box, type ‘Usability’ and then click the FindNow box.



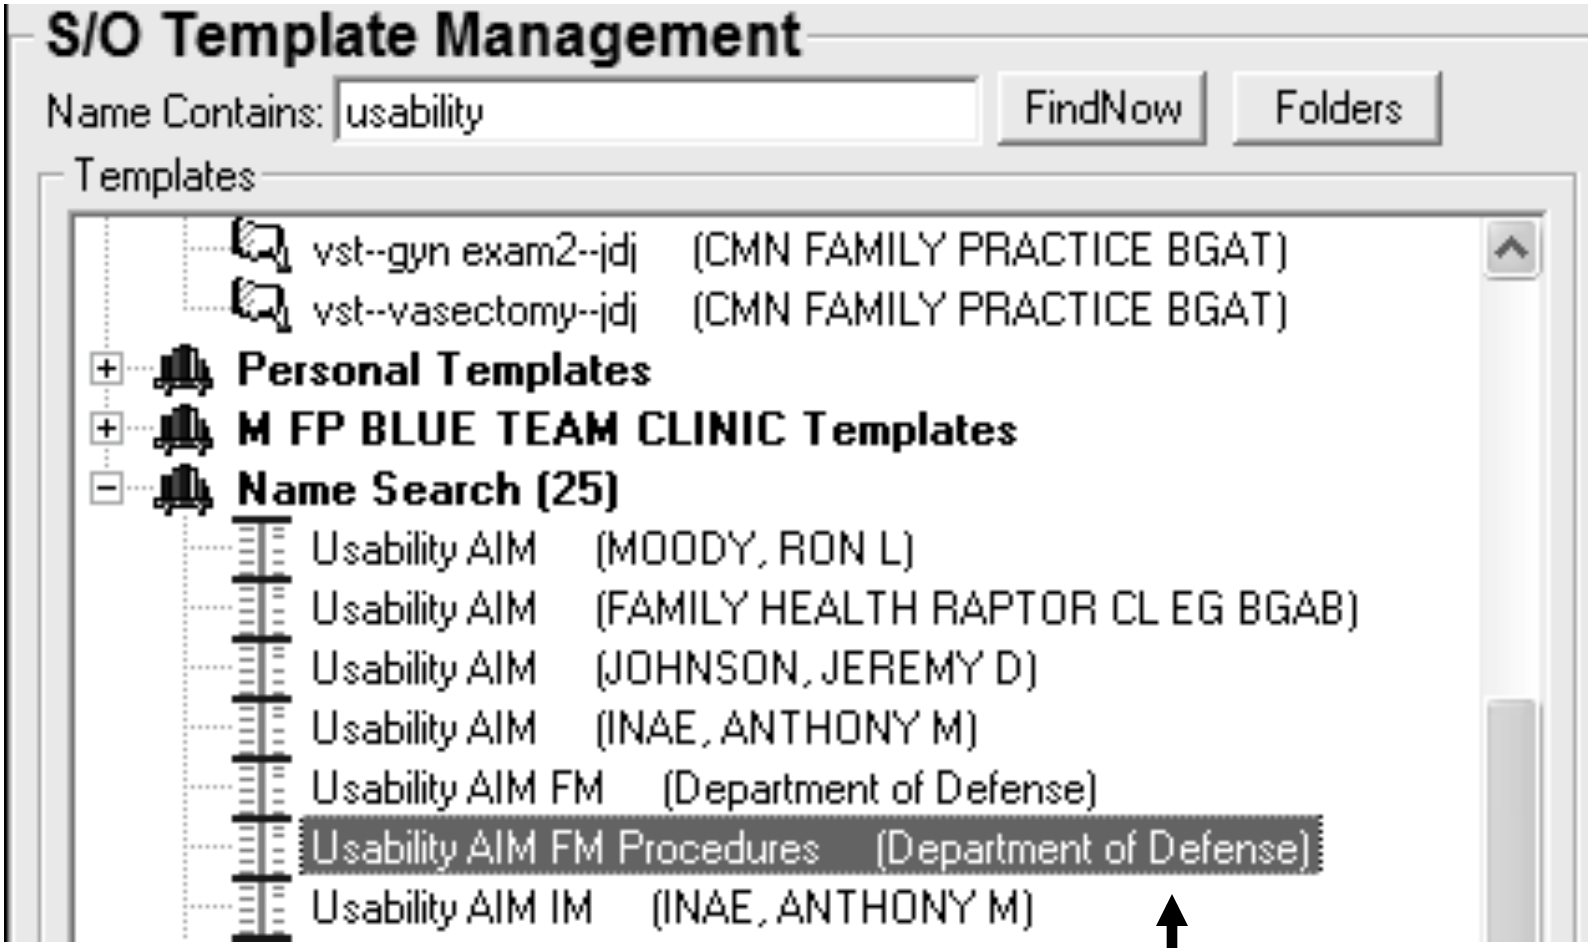
Look for the **Usability AIM FM** form that has (Department of Defense) in the name. Click once on it to highlight it in blue.



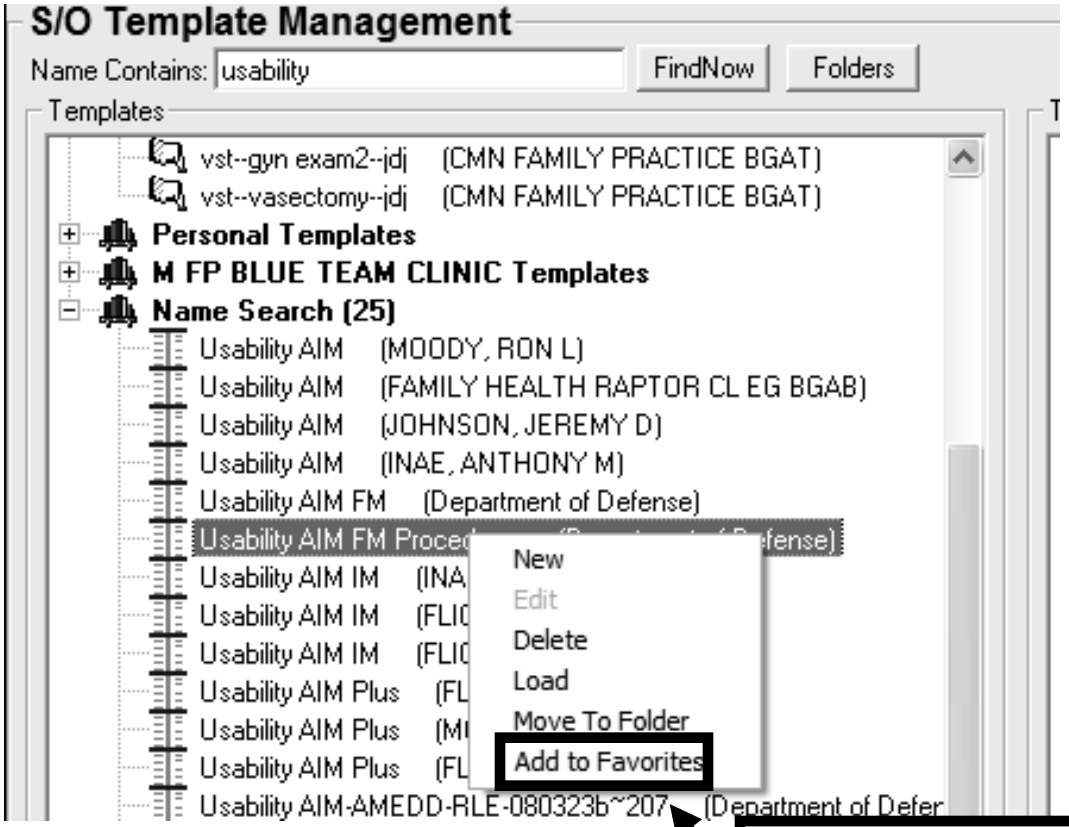
Now right click over the highlighted blue area, and you will get a pick list. Click on “Add to Favorites” from the pick list.



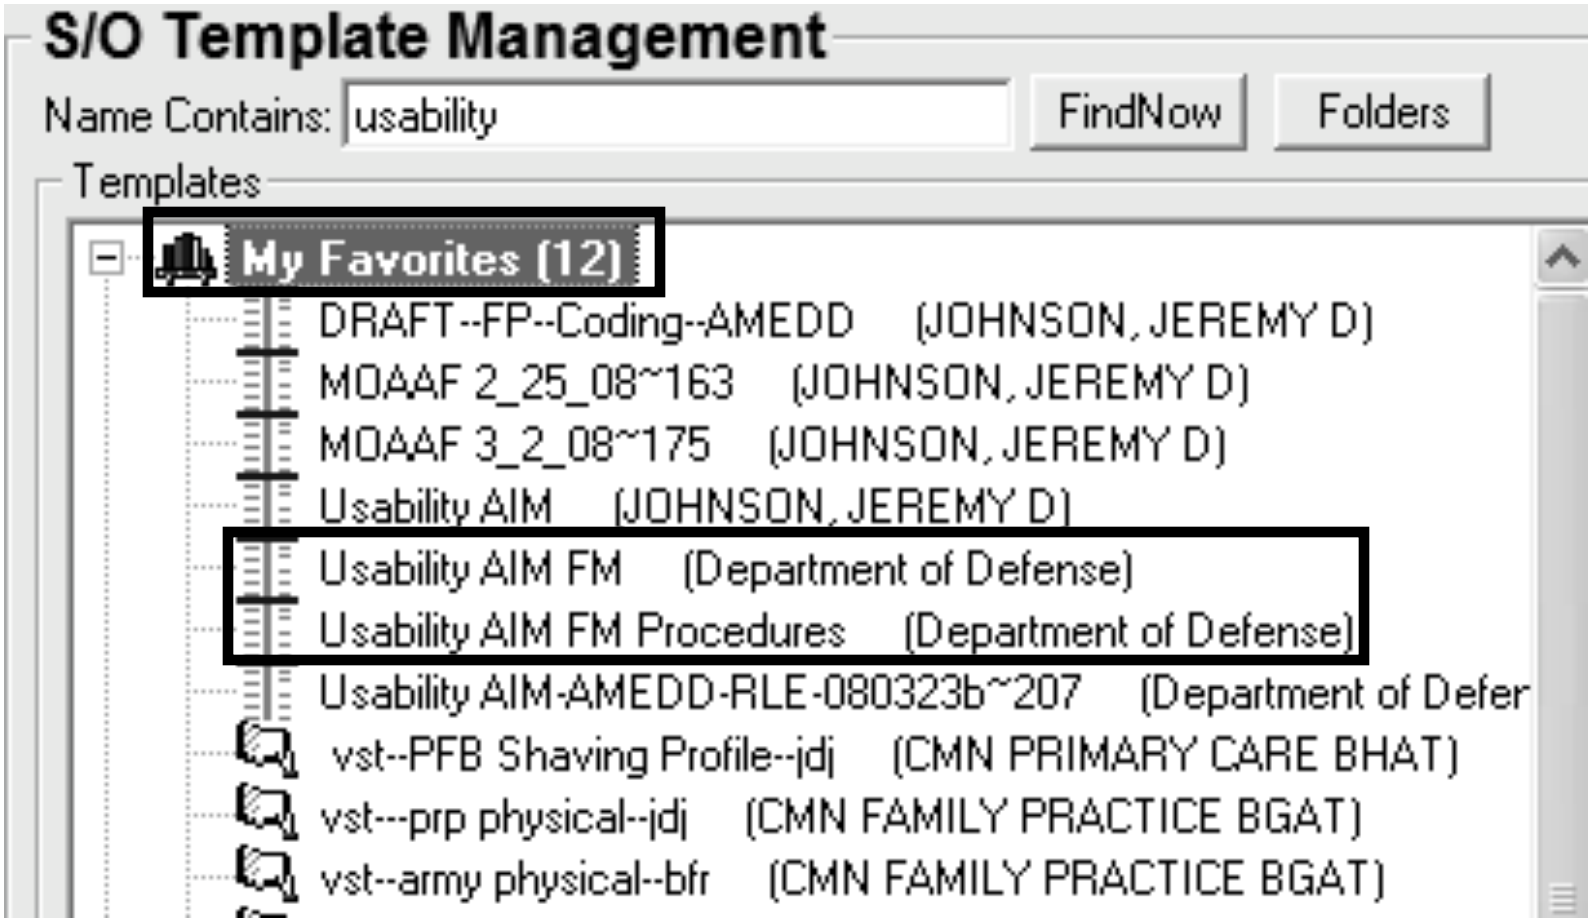
You will then see the Usability AIM form added to your Favorite list.



Now, find the **Usability AIM FM Procedures** form with (Department of Defense) in the name. Click once to highlight in blue.



Now right click over the highlighted blue area, and you will get a pick list. Click on “Add to Favorites” from the pick list.



Now both of these forms should be added under **My Favorites**.
