BACK OF CARD

20080128

Creating a Voice Shortcut

1. Select/highlight desired text (e.g. normal physical exam text)
2. Say: "Make that a shortcut"
3. Say: "Insert normal physical exam"
(substitute above with command you can remember)
4. Say: "Save"

Now, every time you say "Insert normal physical exam", the text you highlighted in step 1 will be typed automatically.
